

SERVING OUR GUESTS WHILE SERVING THE GLOBE.

At The Sagamore, we are committed to do our share to protect the environment.

To reduce our ecological footprint The Sagamore has:

IMPLEMENTED PROGRAMS

Partnership with Springer Waste Management to make sure that the hotel is recycling all that it can, from paper and cans to plastics and wood

Joined with local charities to donate used furniture, linens, towels and plateware to those in need

GONE OUT WITH THE OLD AND IN WITH THE NEW

Replaced incandescent lighting with energy efficient bulbs

Installed digital thermostats into guest rooms

Utilize water conserving toilets

Converted exit lights to LED

Give guests the opportunity to do their part and re-use towels instead of being laundered each day

BUYS LOCALLY

Purchases goods from local vendors

Supports local farmers and buys local produce

OFFERS GREEN MEETINGS

Eco-friendly water service

Paperless billing available
